Hi Yaz,

Just got back from Virginia and it was a great successful trip with the site visit and partnering meeting. I of course forgot my badge so I was unable to access email until now. Just wanted to check in and let you know everything went well and I am back safely.

After my workshare meeting on Tuesday with PADEP Region 1, I determined PADEP would like to meet with us on a few sites (Bishop tube, **Ex. 5 Deliberative Process (DP)**) just to be on the same page with everything and if they finally want us to step in. I will discuss more next week and set something up!

Have a great weekend,
